Parish Mission Statement

We, the parish family of St. Anthony Roman Catholic Church welcome all, young and old, active or inactive, committed or alienated, to enrich their lives by joining and participating in our faith community. We seek to reflect the light of Jesus Christ by reaching out to serve all, and by sharing our joy and hope, as we continue our faith journey. May our lives, inspired by the Holy Spirit, and nourished by the Eucharist, bear witness to our love for neighbors near and far.

Dear Parishioners,

PASTORAL SHARINGS

In the ninth chapter of his Gospel, St. Matthew describes the commissioning of the twelve apostles by Jesus as they are sent out to proclaim the good news to all the world. From that moment the church has been a missionary body reaching out to all nations to proclaim the Good News. We experience this worldwide missionary spirit when we are asked to contribute to victims of natural disasters around the world and when we hear personal appeals by missionaries.

In 1815 Bishop Louis Duboury of New Orleans traveled to France to take up a collection for his diocese in New Orleans. Five years later a delegation was sent to Rome and they received a blessing from Pope Pius VII. In 1840 Pope Gregory XVI placed the newly founded society which grew out of the earlier meetings in the ranks of Universal Catholic Institutions, and on March 25, 1904 this society was recommended by Pope Pius X to the body of the Catholic faithful. Out of all of this came the Pontifical Society of the Propagation of the Faith. Each diocese has an office of "the Propy" which responds to appeals from missionary dioceses and parishes throughout the world.

Cardinal Cushing, as a young priest, was appointed head of the Society for the Propagation of the Faith, and in the succeeding ten years he met and responded to missionaries from throughout the world. As Bishop he invited any of these groups, both religious men and women, into the Archdiocese, and in the late fifties he answered Pope John XXIII's call to found a missionary society, the Society of St. James the Apostle to minister to needy dioceses in South America. He also instituted a missionary co-operative program whereby every parish in the Archdiocese is assigned one missionary appeal each year. We are happy to welcome Bishop Maurice Muldoon retired bishop from the Honduras to our parish to make this annual appeal.

Sincerely,
Fr John R. Mulvehill

We rejoice with the families of our new brothers and sisters who recently received the Sacrament of Baptism

In an address in Cologne, Germany 2005, Pope Benedict Emeritus said of relics "By inviting us to venerate the mortal remains of the martyrs and saints, the Church does not forget that in the end, these are indeed just human bones, but they are bones that belonged to individuals touched by the living power of God. The relics of the saints are of that invisible but real presence which sheds light upon the shadows of the world and reveals the Kingdom of Heaven in our midst."

HOLY RELICS OF ST. ANTHONY WILL VISIT OUR PARISH ON SUNDAY OCTOBER 15, 2017

Fr. Mulvehill has invited Friar Mario Conte to bring the holy and first-class relics to our Parish on Sunday, October 15. Veneration will be before and after each mass: 8 AM, 9:30 AM, 11:30 AM and 5 PM, with veneration all afternoon.

Father Mario Conte, OFM Conv, Executive Editor of the Messenger of Saint Anthony, will travel from the Basilica of Saint Anthony of Padua, in Padua, Italy, with two relics of the beloved saint.

One reliquary contains the floating rib of Saint Anthony and the other reliquary contains layers of the saint's skin. The reliquary, which contains the floating rib, is quite blessed because of its association with Pope Francis and Sister Lucy of Fatima, both of who received the holy reliquary.

Saint Anthony of Padua is known to millions of Catholics for 'lost items.

Father Mulvehill and Deacon Paul Rooney are very pleased to welcome the relics of Saint Anthony, a dear friend and lifelong intercessor in the Catholic World. Please join them for this special day of devotion, mass, novenas and veneration. Prayer petitions will be distributed by Fr. Mario and his staff to allow parishioners to write their prayer petition to the saint. Father Mario will bring the petitions back to the Basilica in Padua and place them at the tomb of Saint Anthony. The tour officially ends back at the Tomb of Saint Anthony where the Friars will gather to pray for the saint's intercession upon our intentions and requests.

Prayer for Our Troops

Almighty God and Father, hold our servicemen and women in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts they perform for us in our time of need. We ask this in the name of Jesus, Our Lord and Savior Amen

Blessing of the Animals October 1

All creatures great and small are invited to this blessing in honor of St. Francis of Assisi. Creatures and their owners should gather at 3:00 PM in the church parking lot. Come join the fun!

We begin a new year in the youth group. The truth is I was going to retire last year. After 18 years I found myself needing to move on. My time was done. There was no relevance anymore. Then something happened. Many left the group during the course of last year for various reasons, family vacations etc. A few, 15 to be exact stayed the course. They worked tirelessly during our fundraising campaigns. They epitomized exactly what Jesus is asking of all of us. They never considered what they were doing was a sacrifice. It was simply what they had to do to stand up for what they believed. Quietly, humbly moving along, preparing for our final trip to this area in Kentucky. They wanted to re-build the youth group so that more could understand and find God's love through the process. They were and are willing to fight the good fight and take on the tasks presented to them, not by me but by God. How could I leave. You see it is not that I had to be relevant, it is all of us. We do not do this so we can be recognized. We do it because we believe in something and we believe there is a lot of good in this world and it is worth fighting for. This group is amazing and we want to grow this group not because of the numbers. We want all the other amazing young people to join so they can understand the power they have within. There are not just a few of you out there. It is all of you. billmezzetti@gmail.com. Let us know if you want to experience something wonderful. We meet every Wednesday night at 7 in the parish hall.

Bill Mezzetti
